Monroe Country Club would like to thank you for considering membership at our facility and we welcome you as a potential member. MCC is collectively owned by its "A" members and the goal of the Club is to provide a rewarding golf experience for members and guests, offering a pleasant social experience for all.

Why join Monroe Country Club:

Do you like golf? Do you enjoy a challenge? Do you like little to no waiting time to tee off? Do you enjoy playing in pre-arranged tournaments? Do you enjoy a pleasing social atmosphere? If you do, then join us? Take a look at our membership package or drop by and view our facilities.

The time is right:

Prime play time on Saturdays, Sundays and holidays has been reserved for "members" until 1:00pm.

Riding carts and greens fees:

Members enjoy unlimited playing privileges... 7 days per week.
Power golf carts are available for rental by golfers who prefer to ride rather than walk. However, we do not require golfers to ride carts. Members pay reduced rates for cart rentals.

Our Course:

Monroe Country Club is a semi-private, 9 hole golf course (5428 yds.) offering 18 teeing areas that provide a variety of challenges for those who desire to play 18 holes.

Monroe C.C. is open to the public on weekdays and after 1:00 PM on weekends.

Monroe Country Club, built in 1922 and designed by renowned architect, William S. Flynn, reflects the best traditions of golf courses designed during that era. The course places a premium on the player's ability to master their short game on the par 4's and 5's while the par 3's require an accurate tee shot in order to score well. Golfers will appreciate Monroe's long standing reputation for well manicured and undulating greens.

Golf Tournaments:

The tournament committee has a variety of golfing events and social activities scheduled for the season. The outings are both competitive and fun; most are set up to allow high and low handicap golfers to compete equally against each other. The idea is to get members competing with other members with whom they might not regularly play.

Golfing Season:

Our course opens in the Spring (March or early April) and the course is open for play until it is too cold for normal play...usually in November.
