

# Monroe Country Club Newsletter

May 2013

## Welcome MCC Members:

The weather has not exactly been cooperating with us this Spring, but that is just about to change.

Some members have yet to renew their memberships. If you have not, please do as soon as you can. However, effective immediately, if you have not renewed your MCC Membership, you will have to pay green fees if you wish to play golf. The course is in very good shape, and we hope to see you out there.

## Projects:

We are pleased to announce that in the early months, we were able to get the county to remove the fallen trees by the 6<sup>th</sup> hole, and fix the damage to the fence along Still road. Additionally we have completed the bunker projects on holes 4, 5, 6 and 7. In addition to our staff, we would like to thank many of the members who volunteered their time to help on these projects. Thanks to Dan Parinelli, Bill Troy, Mark Peterson, Gaspar Perello, Tom Kendrick, Judy Baran, Dave Sheldon, Pete Reilly, and Peter Cassidy. Additionally, the Pro Shop staff of Bill Baxter, Colby Lewis and Scott McWatters volunteered their time to paint the interior of the Pro shop. Thank you to all that helped out. Thanks also to Nelson Hernandez and crew for a job well done.
