Nelson's News:

The second footbridge has been completed. This one is on holes #5/14 making it easier, for walking golfers, to navigate Creegan's Creek.

The greens have been "Verticut" which removes thatch and helps to make the greens healthier and faster.

New sand has been placed in most bunkers on the course.

The course remains in very good shape.

Golf Humor:

A man staggered into a hospital with a concussion, multiple bruises, two black eyes, and a five-iron wrapped tightly around his throat.

Naturally, the doctor asked him, "What happened to you?"

"Well, I was having a quiet round of golf with my wife, when, at a difficult hole, we both sliced our balls into a cow pasture. We went to look for them and while I was looking around, I noticed one of the cows had something white at its rear end."

"I walked over, lifted its tail, and sure enough, there was a golf ball with my wife's monogram on it stuck right in the cow's "rear end."

I then yelled out to my wife, 'Hey Honey, this looks like yours!'"

"I don't remember much after that..."
