MCC Mystery Tournament:

On Saturday and Sunday, June 30th and July 1st, MCC held our annual Mystery Tournament.

Team "Happy" of Peter Cassidy and Arthur Laurent playing well, while getting very few shots, won this years Mystery Tournament by 4 shots. Smiles, although brief were actually seen from both Arthur and Pete. Second place went to the steady team of Pete Marotta and Dan Politoski. Cashing the **LARGE** third place check was Team Marray, Rich and John. Congrats to all.

MCC Team Championship:

New members Bryan Cocks and Matt Palermo ran away with the 2007 Team Championship, winning by 9 strokes. The Defending Team Champs, John Dix and Billy Buchanan defended their

title well with solid golf to finish second. Arthur Laurent and Peter Cassidy rallied late and finished third.

Overheard: By an anonymous listener (who's initials are A.L.) was that Peter Newman, after making a 3 net 1 on hole #6, lamented, "It probably won't be good enough for a skin".

Overheard 2: Also, anonymous, (initials D.S.)... was, that Paul Cassidy after not even reaching hole #1 after 3 putts said "Man these greens are fast".

You can't make this stuff up!

"Nine& Dine"

Our first "Nine & Dine" (9 Holes of Golf with a sit down dinner for couples) was held on 7-21-07 to rave reviews. The 14 participating couples reported having a great time with, believe it or not, no fights on the course. All agreed that we would like to repeat this event several times per year and we will announce the next event when arranged. The first place team for lowest, best ball, score was Jane Petersen and Joe Franklin. They walk away with the Grand Prize..."**Bragging Rights**". Special thanks go to Mark Petersen for arranging and hosting this fun event.

Doug's Digs: by Doug Belmont, Course Superintendent

A large tree fell, due to high winds, on July 20th on hole #5. The crew and I cut up and disposed of the tree "in house". No outside contractors were used to remove the fallen tree, saving valuable MCC dollars.

The "water wheels" are on the course almost daily to help with irrigation. We also had 2 ½" of rain fall on Monday July 23rd, which doesn't hurt.

Aeration of the greens is scheduled for August 7th and top dressing to be applied the day after.

The condition of our course remains good.

Please leave our course better than you found it.

Fix ball marks (yours' and someone else's), Replace divots and Rake sand bunkers. Thanks.

MCC Junior League:

Our Junior League is doing very well. We currently have 51 juniors participating. Several of our juniors are participating in The Hudson Valley Junior League and are leading the county in points. Congrats MCC Juniors. You make us proud.
